5. How far away is the kitchen from the residents?

6. How many staff are available during meal service for serving the residents?

7. Do you feel there would be a concern pushing a 32" wide x 35" high x 37" long cart through or around the facility?

8. Is there an area where the cart could be store inside or outside the kitchen in-between meal service?

9. What other questions do you have about the Hot Food Cart System?

Please fax this form back to Suzy Q Menu Concepts for a facility evaluation for the Hot Food Cart System.
